

WINES SELECT

Wine and Champagne with personalised labels

We specialise in the supply of wine and champagne with personalised labels to corporate customers. The service that we provide enables you to incorporate your company logo and a message in full colour on a bespoke front label.

How does the process work?

- STEP 1** You email us your logo and message. Supply artwork as Illustrator, vectored EPS file or editable PDF. Please remember to outline all fonts. **Low resolution Bitmaps or Web images are not suitable.**
- STEP 2** We then email you a label proof for you to check and approve, usually within 48 hours.
- STEP 3** Once you have approved the design, we print the labels and fix them to the bottles. You should allow 7 - 10 days for us to complete the order, once the label design has been finalised. Urgent orders can often be fast tracked reducing the lead time.

All orders, including repeat orders, are subject to an artwork origination charge of £45.00 plus vat.

If you have any questions or need any further information please do not hesitate to telephone us on 01403 752035
